

EXHIBIT 'F'**2018 INTERNATIONAL FUEL GAS CODE**

SECTION 101.1	Title. Delete the phrase “[name of jurisdiction]” and substitute with “Rutherford County, Tennessee.”
THROUGHOUT	The 2018 International Fuel Gas Code is hereby amended by deleting all references to the “department of inspection” and substituting in lieu thereof the phrase “Building and Codes Department.”
SECTION 106.2	Permits not required. Add additional items as follows: “3. Replacement of any like gas appliance or equipment with the same input BTU rating when work is performed by a licensed gas contractor. 4. Emergency repairs may be performed at night, or weekends and holidays, and during a natural disaster without first obtaining a permit. However, a permit must be obtained within the next two working days, unless the type of work performed is exempt from permits.”
SECTION 106.6.1	Work commencing before permit issuance. Delete the phrase beginning with “...subject to a fee established” and substitute with “required to pay two times the established fee for the required permit. The Building Official may waive the doubling of the established fee where the contractor, or other person applying for permit, demonstrates good cause for the failure to obtain the required permit before commencing work.”
SECTION 106.6.2	Fees. Delete “[Jurisdiction to insert appropriate schedule]” and replace with “the most recent schedule of fees adopted by the Rutherford County Board of Commissioners.”
SECTION 108.4	Violation Penalties. Delete the latter part of the section starting with “...shall be guilty of...” and replace with “...shall be subject to penalties as prescribed by law.”
SECTION 108.5	Stop Work Orders. Delete the last two lines of the section starting with “...shall be liable for...” and replace with “...shall be subject to penalties as prescribed by law.”
SECTION 109	Means of Appeals. Delete this section in its entirety and in lieu thereof substituting the following: “The Construction Board of Adjustments and Appeals for Rutherford County shall have the authority to hear and decide appeals of any order, decision, or determination made by the Building Official relative to the application and interpretation of this code.”
SECTION 623	Cooking appliances. Add new section “623.8 Commercial cooking appliance safeguard devices. All commercial gas fired cooking equipment, new or used, must be equipped with a flame safeguard device which shall automatically shut off the fuel supply to a main burner or group of burners when the means of ignition of such burners becomes inoperable.”
