

EXHIBIT 'H'**2018 INTERNATIONAL SWIMMING POOL AND SPA CODE**

| | |
|------------------------|---|
| THROUGHOUT | The 2018 International Swimming Pool and Spa Code is hereby amended by deleting all references to the “department of building safety” and substituting in lieu thereof the phrase “Building and Codes Department.” |
| SECTION 101.1 | Title. Delete the phrase “[name of jurisdiction]” and substitute with “Rutherford County, Tennessee.” |
| SECTION 101.2 | Add exception as follows: “Exception: Commercial pools as defined and regulated by the Hotel and Public Swimming Pool Inspection Act set forth in T.C.A. §68-14-301 et. seq.” |
| SECTION 105.3 | Add exception as follows: “Exception: Building Official shall have the authority to waive the requirement for construction drawings where the nature of the work applied for is such that reviewing of construction documents is not necessary to obtain compliance with this code.” |
| SECTION 105.6.2 | Fees. Delete “[Jurisdiction to insert appropriate schedule]” and replace with “the most recent schedule of fees adopted by the Rutherford County Board of Commissioners.” |
| SECTION 107.4 | Violation penalties. Delete the second half of the paragraph beginning with “...shall be guilty of...” and substitute in lieu thereof with “...shall be subject to penalties as prescribed by law.” |
| SECTION 108 | Mean of Appeal. Delete this section in its entirety and in lieu thereof substituting the following: “The Construction Board of Adjustments and Appeals for Rutherford County shall have the authority to hear and decide appeals of any order, decision, or determination made by the Building Official relative to the application and interpretation of this code.” |
| SECTION 304 | Flood hazard areas. Delete this section in its entirety. |
| SECTION 323 | Amended by adding two new sections as follows: “Section 323.4 Swimming Pool Alarms. All swimming pools installed or substantially altered at a residential dwelling on and after the effective date of January 1, 2011, shall be equipped with a properly functioning swimming pool alarm. Section 323.4.1 Definitions. For purposes of this section the terms “pool alarm”, “residential dwelling”, and “swimming pool” shall have the meanings established herein. <i>Pool alarm</i> means a device which emits a sound of at least fifty decibels when a person or an object weighing fifteen pounds or more enters the water in a swimming pool but shall not include, swimming protection alarm devices designed for individual use, such as an alarm attached to a child that sounds when the child exceeds a certain distance of becomes submerged in water. <i>Residential dwelling</i> means a one-family dwelling structure. <i>Swimming pool</i> means any structure that is intended for swimming or recreational bathing and contains water over thirty-six (36) inches deep, including but not limited to, in-ground, above ground, and on-ground swimming pools, hot tubs, and non-portable spas, but does not mean a public swimming pool (defined as spa-type) wading, special purpose pools or water recreation attractions, including, but not limited to, those operated by camps, child care facilities, cities, clubs, subdivisions, apartment buildings, counties, institutions, schools, motels, hotels, and mobile home parks to which admission may be gained with or without payment of a fee, nor does it mean a multi-family residential housing swimming pool (defined as a private swimming pool maintained by a homeowners’ association solely for the use and benefit of the members of the homeowners’ association and their guests).” |
